Position Overview

Blink Facility Solutions is hiring dependable, detail-oriented Commercial Cleaners to help maintain clean, safe, and welcoming environments for our clients. This is a hands-on role for someone who takes pride in quality work, follows instructions, and can be counted on to complete each assignment consistently.

What You Will Do

- Clean and disinfect offices, restrooms, breakrooms, common areas, and other assigned spaces.
- Sweep, mop, vacuum, dust, and remove trash and recycling.
- Restock paper products, soap, and other facility supplies.
- Follow site-specific cleaning scopes, safety procedures, and quality standards.
- Use cleaning products and equipment safely and correctly.
- Report supply needs, maintenance concerns, damage, or safety issues.
- Secure assigned areas and communicate professionally with supervisors, clients, and team members.

What We Are Looking For

- Dependable attendance and reliable transportation.
- Strong attention to detail and the ability to work independently.
- Ability to follow written and verbal instructions.
- Professional, respectful, and team-oriented attitude.
- Ability to stand, bend, reach, and perform repetitive cleaning tasks.
- Ability to lift and carry up to 30 pounds.
- Willingness to work the schedule required for the assigned client location.
- Ability to pass a background check when required by the client account.

Preferred Experience

- Commercial cleaning, janitorial, housekeeping, custodial, or facility services experience is helpful, but not required.
- Experience using basic janitorial equipment and cleaning chemicals is a plus.

Why Join Blink?

- Paid training and clear expectations for each assigned site.
- Support from a responsive operations team.
- Opportunities for additional hours and advancement as the company grows.
- Work that makes a visible difference for our clients every day.

Position Details
